I certify/recertify that this patient is confined to his/her home and needs intermittent skilled nursing care, physical therapy and/or speech therapy or continues to need occupational therapy. This patient is under my care, and I have authorized the services on this plan of care and I or another physician will periodically review this plan. I attest that a valid face-to-face encounter occurred (or will occur) within timeframe requirements and it is related to the primary reason the patient requires home health services.

Anyone who misrepresents, falsifies, or conceals essential information required for payment of Federal funds may be subject to fine, imprisonment, or civil penalty under applicable Federal laws.
